NEWSLETTER 3

Friday 26th March 2021

School focuses for this term:

British values: Understanding Democracy

Learning Power: Reasoning

End of term: 1.30 Thursday April 1st

Weekly attendance: Seahorses: 100.0% Turtles: 100.0% Dolphins: 98.5%
Pelicans: 97.1%
Spring Term Overall attendance: 99.3%

Dear parents,

This fine week of blue sky and sunshine has certainly been a delight...spring is in the air! The flowers in the courtyard look stunning - thanks again to all those who helped make this area so appealing.

Outdoor Learning for Pelicans

'This week, Pelicans have been getting outdoors and active with their Maths and English work: We worked out why commas have been used in a sentence as part of a relay race activity; and solved fraction and percentage problems with chalk in the playground.'

A message from Mrs Messenger:

Dear Parents,

As part of my Inclusive Education degree, I am currently doing a Research Project and would be very grateful if anyone who is interested could complete a short survey. My project is about ethnic diversity in teaching and learning in low-diversity settings such as St Wenn.

If you would be happy to complete the survey, please use the following link:

<https://freeonlinesurveys.com/s/IJ827qVr>

Thank you for your support!

Kate Messenger.

Guinea pigs

We are considering buying guinea pigs for the children in school. If your child has any sort of allergy or if this would be problematic in any way, please get back to me as soon as possible. Thanks

Residential for Dolphins and Pelicans

We are delighted with the take up for this residential and it is now booked. Parent meetings will take place on Tuesday April 27th through Showbie: Pelicans 4 – 5pm and Dolphins 5 – 6pm. Tony, the manager, will be in school to answer questions and give all further information about the site and activities.

We will be organising trips off site during the Summer term for KS1 and Early Years - more information to follow.

Mile a Day

We are very keen to start this up again in the mornings before school (8.30 start) but need an extra adult to support Mr Beer – not actually running necessarily but just being there as an extra pair of hands. If anyone can help – please contact Mr Beer or Sally. Thanks.

Breakfast Club

This will take place in the pavilion/field after the Easter break.

Sports Day

This is planned to take place on Monday 7 July 12th with a backup date of Monday 19th July.

Parent Evenings:

Parent Evenings (through Showbie) will take place during the week beginning April 26th – more information from class teachers to follow.

**INSET DAYS FOR YOUR
DIARY:**

**June Friday June 11th and Friday
July 23rd.**

Clubs:

Due to Progress meetings and Parent evenings, our summer term start for clubs will be delayed until week beginning May 3rd. More information to follow.

Best wishes,
Sally
