

ST WENN SCHOOL

PRE SCHOOL ADMISSION POLICY

Reviewed: 12th March 2019
Date of next Review: July 2020

Headteacher: Mrs Sally Berry

Chair of Governors: Dr Tessa

We provide and allocate pre-school places at our school using the following admissions policy. This policy refers to applications for the academic year, however if your child is eligible to start pre-school earlier you should contact the school directly as places may well be available after the closing date for applications.

All children are entitled to 15 hours of free provision provided over 38 weeks (universal entitlement). From September 2017 some children will be entitled to an additional 15 hours (extended entitlement).

In this school we offer the following patterns of provision:

Universal entitlement

- 4 mornings a week
- 4 afternoons per week

Extended entitlement

- 9:00 am until 3:00 pm 4 days per week.

Admission criteria

All children, subject to the availability of places, will normally be admitted to the pre-school class at the start of term after their third birthday i.e. at the start of term in September 2019, January 2020 or after the Easter break 2020 of the 2019/20 academic year.

Oversubscription Criteria

If there are not enough places available for all applicants, we will apply the criteria which are ranked in priority order below.

- The children who will become four years of age during the 2019/20 academic year and would only have the opportunity to benefit from three terms of pre-school education.

The allocation of places within this group of children will then be based on priorities 1 to 7 listed below.

If there are not enough applicants within this older group of children above to fill all available places, then we will next consider those younger children who will reach the age of three during the academic year 2019/20.

Priority will then be given to these children who will become three during the Autumn term, then the Spring term and then the Summer term. Within each term the allocation of places is based on priorities 1 to 7 listed below.

Places can only be offered to these younger children if we can confirm that a place is not needed for a child who will become four years of age during the 2019/20 academic year.

We will give priority in the following order:

1. Looked After Children (children in public care and as deemed under Section 22 of the Children Act 1989).
2. Children who will access either their full universal entitlement or full extended entitlement within this pre-school.
3. Children who live in the school's catchment area.
4. Children who live in the parish of Withiel and who will have a brother or sister at the school during the coming academic year.
5. Children who have exceptional medical or social grounds. (See point a below).
6. Other children who live in the parish of Withiel.
7. Children who live outside Withiel, but only if places are otherwise likely to remain available during the academic year.

Point a

We can consider exceptional individual applications, particularly in cases involving medical or social needs. If you wish to apply on medical or social grounds you must provide written evidence from relevant registered health professionals i.e. a doctor or social worker. The evidence must demonstrate why the chosen school is more appropriate and what difficulties would be caused if your child were to travel to and attend alternative schools. We will not consider such applications if the relevant professional evidence is not provided. This evidence will be assessed by a panel of governors and the Headteacher. No assumption should be made that submission of the relevant evidence will, in itself, be sufficient to allocate a place.

Tie Breaker

If within any of the above priorities, there are more applicants than places available then priority will be given to those children based on the distance they live from the school measured as the crow flies i.e. in a straight line from the centre of the home residence to the main entrance of the school. Children living nearest the school will have priority.

Allocation of places

Parents/ carers are asked to indicate the pattern of attendance they would prefer. In the event of any pattern of attendance being oversubscribed then applications will be prioritised, places will be allocated in order of date of application received (starting from the earliest).

Address

For the purposes of deciding whether a child lives in the catchment area of a school we will use the parent or legal guardian's address or the address of a relevant adult who has parental responsibility (as defined under the 1989 Children Act) for the child.

Change in circumstances

If a child becomes eligible for the extended entitlement at any point after the closing date for applications, subject to availability, a place will be available, from the start of the week following their confirmation of eligibility. If no place is available, the child will be placed on the waiting list.

If a child loses their eligibility at any point after the allocation of places, parents/ carers and Headteacher will agree the pattern of attendance for the universal entitlement.

Waiting list

If places, then become available we will consider all the applications on a waiting list. The waiting list will be maintained by the Headteacher from the start of the academic year and be kept for the rest of the academic year. All applicants on the waiting list will be placed according to the admission criteria and priorities set out above. The length of time a child has been on the waiting list cannot be taken into account if places become available. If you apply late, your child's name may be added to the list by using the priority order described above.

Closing Date

To apply for a place in our pre-school class for September 2019 or subsequent terms in the academic year, you must complete and return your application form to the Headteacher of your chosen first preference school by 11th January of that year.

You will be informed if your child has a place for that academic year, in writing, on or before 31st January.

Complaints

If you feel that the admissions criteria stated above have not been fairly applied to your child, then you may register a complaint with the Governing Body using their normal complaints procedure.

Admission into Reception

Obtaining a place in our pre-school class does not guarantee your child a place in our school for entry to Reception class. There is a different admission criterion that applies for admission to infant and primary school entry. You must apply again in the September before your child's 4th birthday for admission to an infant or primary school.

Review July 2020

This policy will be reviewed annually by the Governing Body
